WHAT THE PROGRAM DOES

Through our Artist Development Program, SASAI strives to pair talent with your wall and walks them through the different stages of the mural art industry. This program seeks to educate artists on how to develop their career on a professional level, ultimately leading up to a finished mural that will not only bring positive impact to your property but also advocate for artists and their careers. Please see our website for more info.

WHO IT SERVES

• LOCAL ARTISTS

As a donor to our Artist Development Program you will help creatives in our community learn from top tier, full-time, successful artists. They will gain insight into the business, gain experience in managing their mural project, execute a full scale, high quality mural and ultimately, develop their resume for future opportunities.

• LOCAL BUSINESSES

As a donor to our Artist Development Program you will be the recipient of a beautiful mural, either on a wall you own or on a highly visible wall in San Antonio, Texas. A Chyron Credit will be placed on the wall that features your business as the donor.

• LOCAL NEIGHBORHOODS AND THE CITY OF SAN ANTONIO

As a donor to our Artist Development Program you contribute to the economic development of San Antonio, Texas through Community Beautification with the mural your donation made possible.

HOW TO SUPPORT

Donation levels are calculated on a per wall basis, per square foot and unique factors involved with location, supplies needed, and tier of artist. To start the process to become a donor towards our Artist Development Program, please fill out the form at SanAntonioStreetArt.Org.
