SASAI ARTIST LECTURE SERIES

The SASAI Artist Lecture Series are free educational events, open to the public that hosts local, national and international street & contemporary artists to share their artwork, art process and network with local San Antonio community. These lectures are created to inspire, uplift and enhance knowledge and awareness about street art, contemporary art, art business and other empowerment topics related to the SASAI mission

ARTIST
LECTURES

BUILDING
BRIDGES

DIVERSE & DYNAMIC
ARTS EDUCATION

WHO IT SERVES

• THE ARTISTS

BUILDING BRIDGES

Allows the artist to talk about their work and process with a new audience, extending their reach creatively and building bridges with new colleagues and our local community.

• THE ART COMMUNITY

INSPIRATION & EDUCATION

Uplifts and inspires local artists, by expanding their colleague network, shared experiences, creative technics, and educational industry practices.

• LOCAL COMMUNITY

MEET, SUPPORT & SHARE

Local community is invited to partake in the artist lecture series opportunities, to educate themselves on this diverse genre of art, and to meet their local artists as well as the featured speaker.

HOW TO SUPPORT

- Donors are always welcome to donate to this program.
- We are eligible for educational grants that align with implementing career development and education in the creative arts field. If you see a grant opportunity for us, we invite you to please send us the grant application information.
- Grant writing donations are also welcomed.
